

### 7.3

#### Institutional Distinctiveness

This document encompasses all the activities and practices of the college that makes it distinctive.

#### Safety and Security

As our college is a Women's college, safety and security of the students are given utmost importance. Various activities are initiated by the Institution for the promotion of gender equity during the year. CCTV cameras are installed. Day and night watchman in the entrance gate of the college and hostels are engaged who continuously watch the campus free from outside interference. Our day watchman, Sri. Tarani Patel, is in uniform and night watchman Sri. Dinabandhu Barla in the picture below.

## College Uniform/ Dress Code

At our college, the adoption of uniform dress code serves as a symbol of unity, pride, and professionalism among students, faculties, and staff. This initiative not only enhances the aesthetic appeal of our campus but also promotes a sense of belonging and community spirit.

The uniform dress policy at our college is designed to instill a sense of discipline, unity and decorum while eliminating socio-economic disparities often associated with fashion trends. It fosters a level playing field where students are recognized for their intellect and achievements rather than their attire, creating an inclusive environment conducive to academic excellence and personal growth.

The uniform dress code is meticulously crafted to reflect our institution's values and traditions. It typically consists of comfortable and practical attire that encourages mobility and engagement in various academic and extracurricular activities. Students are encouraged to wear the uniform with pride, understanding that it represents their affiliation with our esteemed college community. The pictures below show two sets of uniforms, Maroon and White for Post-Graduation students and the other one for Under-graduates.

## Seminars

In our college, one day in a week is reserved in the timetable for class seminars, providing a dedicated space for students and faculty to engage in enriching discussions and class seminars. These seminars serve multiple purposes: they keep participants informed about the latest developments in their respective fields, foster personal growth and skill enhancement, and prepare students for future interviews by helping them overcome stage fright. The accompanying images showcase class seminars from various departments, highlighting the effective use of ICT tools to facilitate interactive and immersive learning experiences. In addition to that there are practical classes and language laboratory facilities for the students as well. The college also provides newspaper and magazines for the benefit of all.

## Sanitary Pad Disposal Machine

Proper disposal of sanitary napkins is a critical yet often overlooked issue in colleges. The improper handling of menstrual waste contributes significantly to environmental pollution, clogging drains, and spreading diseases.

Moreover, it perpetuates the stigma surrounding menstruation. To address this, our college prioritizes sanitary napkin disposal awareness. By installing incinerators or disposal bins in restrooms, providing clear instructions on proper wrapping and disposal, and organizing educational campaigns, campuses the institution cultivates a healthier and more hygienic environment. It is essential to break the silence around menstruation and encourage open discussions to challenge societal taboos. Ultimately, ensuring safe and hygienic menstrual waste management is a fundamental step towards creating a supportive and inclusive campus for all students. The college has provisions of the same, as shown in the picture below:

## Anti-ragging Cell

The college has a functional anti-ragging cell which ensures cooperation among all students. The pictures below give a glimpse of its working. An Anti-ragging awareness programme was organised on 21.11.2022 at 11:00am in Conference Hall of Government Women's College, Sundargarh. The resource persons of the event were Ms. Subhashree Pradhan, Secretary, DLSA, Mr. Sudhanshu Shekhar Pujahari, DSP Vigilance, Sundargarh and Mrs. Snehalata Patel, Advocate and Social Worker Sundargarh. The programme intended to sensitise and aware the students relating to the practice of ragging in the college premises and its adversities. A total 148 students attended the programme.

## Career Counselling

Students' Career Advancement Programme was conducted for all +3 Final Year Arts and Science students on 11.2.2022 from 10:30am in Virtual Mode. It was organised in collaboration with Manav Adhyayan Kendra, Centre for Human Resource Management and Development. A total of 248 students attended the programme.

### ABOUT THE PROGRAM:

'Students' Career Advancement' program was conducted for +3 final year (Arts and Science) students on dt 11. 02.2022 from 10.3 am to 1.30 pm in virtual mode. It was organized by Career Counselling Cell of Govt. Women's College, Sundargarh in collaboration with 'MAK' sponsored by OHEPEE, Dept of Higher Education, Govt of Odisha. The program was begun with the welcome address by the principal I/C Mrs Sushama Hasdah who greeted the Program officers and its team on behalf of the institution and inspired the students to get the best out of the program. Program Coordinator Dr Indira Garnaik introduced the Resource persons of the program. The collaborated organization of the program was 'Manav Adhyayan Kendra', a Centre for Human Resource Development, which is deeply committed with youth empowerment and skill. The two resource persons of the program Ms Susmita Dash and Mina Subudhi presented the topic in two sessions- first session was for Arts students (10.30 am- 12 noon) and second session was for science students (12.10 pm-1.40 pm). They gave detailed information about different courses of interest, skill required for career after B A and B Sc, job after graduation, specialization and opportunities in MBA, computer Science, and availability of government scholarship for meritorious students for technical/Professional/ Management studies. The program was concluded with a vote of thanks by the Academic Buřsar Sri Ajit Kumar Sahoo. Prior to the program Arts and Science students registered their names in a Google page.

Students interacted actively with the trainers during the program and thoroughly enjoyed the sessions. The counsellors provided valuable tips regarding varieties of job opportunities, skill development, and valuable websites to search for jobs. On the whole the program was a great success and there were positive feedbacks from the students.

## **Girls' Common Room**

The establishment of a dedicated Girls' Common Room underscores our commitment to fostering a space where female students can thrive academically, socially, and personally.

The Girls' Common Room serves as a sanctuary within our college campus, designed to cater to the specific needs and preferences of our female students. It is a place where they can relax, unwind, and engage in meaningful interactions with peers in a comfortable and secure setting. The picture below gives a glimpse of girls' common room of our college.

Sub:- Request for allocation of fund for installation of Solar Power Panel.

Sir,

With due regards, I would like to draw your kind attention that 600 (Six Hundred) boarders are residing in the Degree and Junior College Hostel. They are facing problems due to frequent power cut.

Therefore, I request you to kindly allocate an amount of Rs. 10 Lac from the available DMF fund for installation of Solar Power Panel in the hostel campus for the larger interest of the boarders.

Yours faithfully

**Green Campus Initiatives**

At our college, fostering a sustainable environment is a priority, and our annual plantation drive stands as a testament to our commitment towards environmental conservation and community engagement. This initiative not only aims to enhance the green cover on our campus but also instills a sense of environmental responsibility among students, faculty, and staff. Every year, the plantation drive brings together members of our college community in a collective effort to contribute positively to our surroundings. The day begins with an inaugural ceremony where dignitaries, faculty members, and student leaders emphasize the importance of tree plantation in mitigating climate change and preserving biodiversity. Students actively participate in the planting process, selecting native tree species that are well-suited to our local ecosystem. This hands-on experience not only connects them with nature but also educates them about the environmental benefits of trees, such as carbon sequestration, air purification, and soil conservation.

A tree plantation programme was held on 21.2.2023 in the college premises. The event was organised in collaboration with Sundargarh Municipality. A total of 39 students participated in the event.

*Green Campus Initiative by students*

## **Promoting Cycling and Walking for a Sustainable Future**

In an era where environmental concerns are increasingly at the forefront of global discussions, green initiatives have become vital for promoting sustainability. Among these, the encouragement of cycling and walking as primary modes of transportation stands out as a simple yet effective approach in our college. Cycling and walking as part of green initiatives offer a powerful means to address environmental, health, and social challenges. By adopting these sustainable modes of transport, individuals can make a significant impact on reducing carbon emissions, improving personal health, and enhancing the livability of urban environments.

## Disabled friendly, barrier free environment

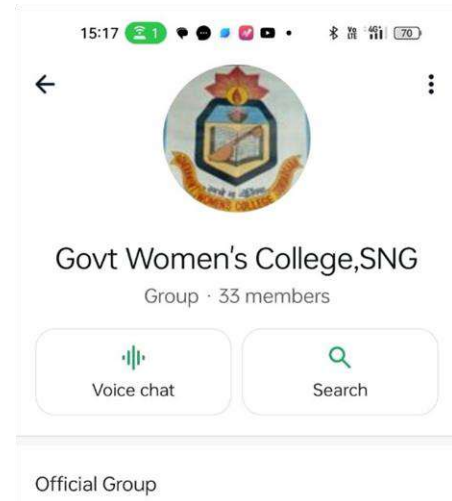

Our college is disabled-friendly and offers a barrier-free environment that ensures all students, regardless of physical or cognitive abilities. It has provision of practicing policy of equal access to education and campus life. Our college has accessible infrastructure, including ramps, elevators, and adaptive technologies, to accommodate the needs of students with disabilities.

## Policy for paperless communication

The college has embarked on a forward-thinking initiative aimed at achieving paperless functioning across both administrative and academic operations. Recognizing the environmental and practical benefits of reducing paper usage, the institution has implemented digital solutions to streamline communication and document management. One of the key steps in this transition is the establishment of an official WhatsApp group, which serves as a central platform for sharing information among faculty, staff, and students. This group facilitates efficient and timely communication, ensuring that important announcements, updates, and documents are easily accessible to all members of the college community.

The move towards a paperless environment not only supports sustainability efforts by reducing paper waste but also enhances the efficiency of administrative processes. By digitizing information flow, the college is able to minimize delays, reduce clutter, and promote a more organized and accessible system of communication. The use of WhatsApp, a widely used and familiar platform, ensures that the transition is smooth and that all stakeholders can easily adapt to this new mode of operation. This initiative reflects the college's commitment to embracing modern technology to create a more sustainable, efficient, and connected academic environment.

**Institutional Best Practices**

**INTERNATIONAL YOGA DAY**

International Yoga Day holds a special place in the calendar of our college as we embrace the ancient practice of yoga to foster physical, mental, and spiritual well-being among our students, faculties and staff. This annual celebration underscores our commitment to promoting holistic health and mindfulness within our college community. The observance of International Yoga Day in the college begins with an early morning session of yoga and meditation led by certified yoga instructors and wellness experts, these sessions introduce participants to various yoga asanas (postures), breathing exercises, and relaxation techniques. The students and faculties alike gather on campus grounds to practice together, fostering a sense of unity and camaraderie. The pictures below show the observation of the same.

### **Inter-departmental seminar on ‘Sadak Surakhya Jeevan Rakhya’**

An Inter-departmental seminar on “Sadak Surakhya Jeevan Rakhya” was conducted in the college on 30.7.2022 on the above topic. Two students were selected from each department and they gave their presentations on the topic via PowerPoint. Three guests were invited namely, Ms.Laxmipriya Pati, Secretary Mo College Abhiyan, Sundargarh, Ms.dalani, Motor Vehicle inspector and Retd. Commandant Sri. Manoj Ku. Purohit to judge the best presenters of the seminar topic. All the staff members, students of +2 & +3 wing attended the seminar and asked questions. Interesting discussion and interaction among students, teachers and judges on the topic encouraged the intellectual enthusiasm of the students. The judges also made the students aware of the different rules and regulations, safety measures to be taken while running their vehicles on the road and provisions of strong action against those who would violet the safety rules. A total number of 178 students attended the programme to make it success.

### Career Counselling Programme

A Student's Career Advancement Programme was conducted for all +3 Final Year Arts and Science students on 11.2.2022 at 10:30am in Virtual Mode. It was organised in collaboration with Manav Adhyayan Kendra, Centre for Human Resource Management and Development. A total 248 number of students attended the programme for their career prospect.

**ABOUT THE PROGRAM:**

'Students' Career Advancement' program was conducted for +3 final year (Arts and Science) students on dt 11. 02.2022 from 10.30 am to 1.30 pm in virtual mode. It was organized by Career Counselling Cell of Govt. Women's College, Sundargarh in collaboration with 'MAK' sponsored by OHEPEE, Dept of Higher Education, Govt of Odisha. The program was begun with the welcome address by the principal I/C Mrs Sushama Hasdah who greeted the Program officers and its team on behalf of the institution and inspired the students to get the best out of the program. Program Coordinator Dr Indira Garnaik introduced the Resource persons of the program. The collaborated organization of the program was 'Manav Adhyayan Kendra', a Centre for Human Resource Development, which is deeply committed with youth empowerment and skill. The two resource persons of the program Ms. Susmita Dash and Mina Subudhi presented the topic in two sessions- first session was for Arts students (10.30 am- 12 noon) and second session was for science students (12.10 pm-1.40 pm). They gave detailed information about different courses of interest, skill required for career after B A and B Sc, job after graduation, specialization and opportunities in MBA, computer Science, and availability of government scholarship for meritorious students for technical/Professional/ Management studies. The program was concluded with a vote of thanks by the Academic Buřsar Sri Ajit Kumar Sahoo. Prior to the program Arts and Science students registered their names in a Google page.

Students interacted actively with the trainers during the program and thoroughly enjoyed the sessions. The counsellors provided valuable tips regarding varieties of job opportunities, skill development, and valuable websites to search for jobs. On the whole the program was a great success and there were positive feedbacks from the students.

## WORLD AIDS DAY

At our college, World AIDS Day holds profound significance as we unite to raise awareness about HIV/AIDS and demonstrate our commitment to supporting those affected by this global health challenge. This annual observance serves as a platform to educate our college community on prevention, treatment, and anti-stigmatization efforts related to HIV/AIDS. World AIDS Day activities in the college is commenced with an informative session led by healthcare professionals and advocacy organizations. These sessions provide critical insights into the latest advancements in HIV/AIDS research, prevention strategies, and support services available locally and globally. Students and faculties are engaged in discussions that dispel myths, address misconceptions, and promote empathy towards individuals living with HIV/AIDS. The pictures below show the observation of the same in our college.

World Aids day was observed on 01.12.2022. Dr.Subhakanta Patel, Pediatric Specialist, DHH, Sundargarh made the students aware of the significance of the day. A total 137 number of students attended the event.

## **ANNUAL SCIENCE DAY**

National Science Day holds a special place in the annual calendar of the college, where we celebrate the spirit of inquiry, innovation, and scientific advancement. This day, commemorating the discovery of the Raman Effect by Sir C.V. Raman, serves as a catalyst for inspiring young minds towards the pursuit of scientific knowledge and discovery. Each year, our college community comes together on National Science Day to honor the legacy of Sir C.V. Raman and other eminent scientists whose contributions have shaped the landscape of modern science. The day begins with a series of informative sessions and lectures by faculty members and invited experts, highlighting significant scientific achievements and breakthroughs across various disciplines.

The college celebrated National Science day on 12.01.2023. The Chief Guest of the event was Dr. Manoj Ku. Jena, Scientist, Soil Science of Krishi Vigyan Kendra, Sundargarh. The guest of honor of the event was Sri. Suraj Prakash Choudhary, District Science Supervisor, Sundargarh. A total of 35 students attended the programme.

## **PLANTATION DRIVE**

At our college, fostering a sustainable environment is a priority, and our annual plantation drive stands as a testament to our commitment towards environmental conservation and community engagement. This initiative not only aims to enhance the green cover on our campus but also instills a sense of environmental responsibility among students, faculty, and staff. Every year, the plantation drive brings together members of our college community in a collective effort to contribute positively to our surroundings. The day begins with an inaugural ceremony where dignitaries, faculty members, and student leaders emphasize the importance of tree plantation in mitigating climate change and preserving biodiversity. Students actively participate in the planting process, selecting native tree species that are well-suited to our local ecosystem. This hands-on experience not only connects them with nature but also educates them about the environmental benefits of trees, such as carbon sequestration, air purification, and soil conservation.

A tree plantation programme was held on 21.2.2023 in the college premises. The event was organised in collaboration with Sundargarh Municipality. A total of 39 students participated in the event.

## LIBRARY VISIT

Once a week is earmarked in the college time table, for library visit by students of each department. The concerned departmental faculties guide students to explore various books, magazines, newspapers, journals, and materials in the library. Students are encouraged for using the reading room regularly in the library. Moreover, alumni of the college are urged to donate old books to the department and library.

The pictures of the same are given below:

- 2) Set theory was introduced by Cantor.
- 3) "Not an element of a set" has the symbol \_\_\_\_.
- 4) In Roster form, all elements of a set are written inside braces and separated by commas.
- 5) Express in Roster form:  $V = \{x : x \text{ is a letter of the word 'Consonant'}\}$ .
- 6) Express in set builder form:  $B = \{1, 3, 5, \dots\}$
- 7) In Venn-Diagram, the area enclosed by the rectangle is called Universal Set.
- 8) Write the relation of  $R = \{(x, x^3) : x \text{ is a prime number less than } 10\}$  in roster form.
- 9) If  $f(x) = x + 4$  then find  $f(a)$
- 10) If  $f(x) = 3x + 5$  find  $f[f(f(2))]$ .
- 11) Calculus can be used to calculate change, growth and motion.

##### 2. Answer the questions (2 marks each and total 16 marks).

- 1) What is a finite set?
- 2) What is an infinite set?
- 3) What is a null set?
- 4) What is a unit set?
- 5) What is a universal set?
- 6) What is a proper subset?
- 7) What are natural numbers?
- 8) What are whole numbers?
- 9) What are integers?
- 10) What is an ordered pair? When are two ordered pairs said to be equal?
- 11) What are Cartesian products?
- 12) Write all the subsets of  $A = \{1, -1, 2, 3, -1\}$
- 13)  $A = \{x, y, z\}$  and  $B = \{1, 2\}$ . Find the number of relations from A into B.
- 14) What is implicit and explicit function?
- 15) Find the domain of  $f(x) = \frac{2x-3}{x^2-3x+2}$
- 16) Find the Range of  $f(x) = \sqrt{16-x^2}$

##### 3. Answer the following questions (3 marks each and total 24 marks).

- i) Distinguish between finite and infinite set.
- ii) Distinguish between unit and universal set.
- iii) Distinguish between equal sets and equivalent sets.
- iv) Distinguish between rational and irrational numbers.
- v) Define Limit. What are the types of limit?

- vi) If the number of elements in set A is 5. How many subsets A can have? How many proper subsets can A have?
- vii) What the properties of Difference of Sets?
- viii) What the properties of Complement of a Set?
- ix) What is the difference between intersection and union?
- x) What is the difference between Variable and Constant?
- xi) What is the difference between Independent and Dependent Variable.
- xii) What are the properties of Cartesian Products?
- xiii) If the ordered pairs  $(x^2 - 1, y^2 + 4)$  and  $(0, 4y)$  are equal, find the values of x and y.
- xiv) Determine the domain and range of the relation on R defined by  $R = \{(x, x+5) : x \in \{0, 1, 2, 3, 4, 5\}\}$
- xv) What is a function? Discuss the domain and range of a function.
- xvi) Evaluate limit  $\lim_{h \rightarrow 0} \frac{\sqrt{x+h} - \sqrt{x}}{h}$
